FROM THE FOUNDER

Print the Love

Dear Fellow Traveler, Photographer, and Kindness Warrior,

Thank you for being a part of this wonderful organization. It has grown in ways that I never thought possible and this is thanks to supporters like you! 2023 was another epic year in our short 8 year history. A year I will forever be grateful for. I am grateful for the gift of:

- Every human
- Every shared moment
- Every smile
- Every connection
- Every act of peace
- Every kind gesture
- Every ripple of love
- Every photo

Yes, we simply give out photos, but it is about so much more. It is about being seen, heard, and loved in a cruel world.

We have given 17,000+ photos, in 27 countries, on 5 continents so far! And we are just getting started. It is our goal to give away over 100,000 photos in the next 10 years! I invite you to come along with us on the journey to see this goal be reached.

Thank you for being here with us. I am grateful for YOU!

OUR MISSION

Print the Love

The Mission

To celebrate the value and dignity of individuals in under-resourced communities through the gift of an instant photograph.

A Gift

A gift so personal is seldom given in humanitarian efforts. We all know how much we love to take and get photos of our families, children, and friends. Even in this digital age in the U.S. where we have access to images anytime, we appreciate and cherish the photographs we get to hold in our hands. Imagine what it would be like to get a picture if you had very few or none. The influence on each person and their families is significant.

Our Values

Generosity, Inclusiveness, Empathy, and Compassion

OUR STRATEGIES

Print the Love

We ensure photographs are given out in under-resourced communities through our 2 programs:

Service-Learning Volunteer Trips: We take teams of 4-6 travel to the world's lowest resourced countries to give away photos to schools, hospitals, maternity wards, markets, and slums. Trips cost around \$3K-\$4k. Fundraising is available for participants.

Supply the Love: Self-Trekking Ambassadors borrow a camera and the supplied film and give away photos on their own. Supply the Love is free and supported by donations.

LOVE TO TANZANIA

Each year we bring a team to at least 1 under-resourced country. This year 6 of us headed to the beautiful country of Tanzania. What an incredible gift it was to meet so many wonderful Tanzanians and partner with schools and NGOs. We gave away over 2,500 photos in schools, hospitals, and markets. We stayed in 4 different areas in Northern Tanzania (Meru, Arusha, Lake Natron, and Ikoma). We even got to experience Serengeti National Park. See our blog for the full trip impact and recap.

SUPPLY THE LOVE

Print the Love

This year we had the opportunity to provide cameras and film to give away photos to families in France, sex trafficking victims in Tel Aviv Israel, and mothers who are battling addiction and their children at Perspectives nonprofit in our own backyard in Minneapolis. See the full stories on our blog.
